

SCILT WEBINAR MENU 2019-20

New for session 2019/20. These webinars offer an alternative to our face-to-face workshops. Practitioners may wish to get together to participate in the live streaming of events which will include opportunities for online discussion. Alternatively, the recorded version can be used as a stimulus for collegiate discussion, in-service days or as part of individual practitioners' professional development. Registration will be advertised via the weekly [SCILT e-bulletin](#) and on the National Modern Languages Hub prior to these publicised dates.

- Glow login will be required.
- Recordings will be available to watch again on National ML Hub under the **Anytime Learning** tab

	PRIMARY WEBINARS	
1	<p>First steps in primary language teaching</p> <p>A little language does go a long way! We will explore ways of introducing and embedding an additional language into your classroom routine. In this webinar, we will consider approaches to engaging language learners to suit your own level of confidence and language ability.</p>	<p>4 – 5pm</p> <p>Tuesday 12th November 2019</p>
2	<p>Cultural contexts for primary language learning</p> <p>Language learning provides a unique opportunity to develop intercultural understanding, encourage learners to appreciate the diversity of other cultures and recognise that there are different ways of seeing the world.</p> <p>In this webinar you will consider the importance of exposing learners to culturally rich and authentic materials, and explore a variety of approaches to incorporating intercultural understanding into language learning.</p>	<p>4 – 5pm</p> <p>Tuesday 4th February 2020</p>
	SECONDARY WEBINARS	
3	<p>The Scottish Baccalaureate in Languages: how can language learners benefit from the Bacc experience?</p> <p>This workshop will explore the requirements for the languages Bacc and ways in which to support your candidates in completing their 'Interdisciplinary Project'.</p> <p>We will look at examples of interdisciplinary projects and discuss ways of selling this to learners.</p>	<p>4 – 5pm</p> <p>Tuesday 29th October 2019</p>

4	<p>Closing the attainment gap through language learning</p> <p>In this workshop we will explore how language learning articulates with the key NIF priorities. We will examine how modern languages develop literacy and employability skills and promote health and wellbeing.</p> <p>Through reference to key documentation and research participants will be enabled to develop a rationale for the place of languages in the secondary curriculum.</p>	<p>4 – 5pm</p> <p>Tuesday 28th January 2020</p>
