#### ESSAY TASK

« Nous devons presque tout changer dans nos sociétés actuelles. » *Greta Thunberg*

Considérez les changements que Jacqueline Munro-Lafon a vécus pendant sa vie, et les changements qu'elle a provoqués.

En tant que société, nous sommes confrontés à des défis globaux qui nécessitent une coopération internationale pour favoriser les changements. Quels changements aimerez-vous voir et comment les feriez-vous? Vous voudriez peut-être tenir compte des questions d'actualité telle que:

- L'environnement
- L'immigration
- Le racisme
- L'égalité

“We must change almost everything in our current societies.” *Greta Thunberg*

Consider the changes that Jacqueline Munro-Lafon experienced in her life, and the changes that she made happen.

As a society, we are facing global challenges that require international cooperation to foster change. Which changes would you like to see and how would you make them happen? You may wish to consider current issues such as:

- Environment
- Immigration
- Racism
- Equality

This essay competition is open to learners of French who are working at Advanced Higher level. Your essay should be no longer than 500 words in length. Your essay can be discursive or narrative in style. You can choose to examine wide-ranging changes which span the entire century; alternatively you could focus on particular periods during the last century where changes have been distinctly notable or influential.

Whatever the style or format, a winning essay will demonstrate flair and passion, a command of language and evidence of research. Bon courage!
