**William Topaz McGonagall**...won notoriety as an extremely [bad poet](#) who exhibited no recognition of, or concern for, his peers' opinions of his work.

He wrote about 200 poems, including his notorious "[The Tay Bridge Disaster](#)" and "[The Famous Tay Whale](#)", which are widely regarded as some of the worst in English literature.

McGonagall has been acclaimed as the worst poet in British history.

# Collaborative Improvement Planning

- Reflect individually on 3 key priorities which you have worked on, to date, in developing 1+2 e.g. Communications, Teacher training, L2 development etc.
- For each of them, identify an initiative you have developed to take this forward. What worked well and what were the challenges?
- Share and discuss these as a group.
- Brainstorm the key priorities for moving forward
- What projects/ideas etc. are you planning in line with these priorities?
- How can these be shared across LAs/organisations?
