Programas de apoyo al aprendizaje de la lengua y la cultura españolas

En Londres, ofrecemos la posibilidad de estudiar las enseñanzas regladas del sistema educativo español en un programa bilingüe español-inglés. El Instituto Español Vicente Cañada Blanch es un centro educativo integrado (5-18 años) perteneciente a la red de centros en el exterior del Reino de España.

Los hijos de padre o madre españoles residentes en el área de Londres pueden acceder a las enseñanzas complementarias de la Agrupación de Lengua y Cultura Españolas en 25 aulas y en horario extraescolar.

Prestamos un especial apoyo al programa bilateral de Auxiliares de Conversación por medio de la celebración de jornadas de acogida, formación y encuentro en Belfast, Edimburgo, Londres, Manchester y Dublín. Involucramos a los auxiliares de lengua española en centros educativos británicos e irlandeses en un programa anual de actividades diversas.

En las Secciones Españolas de Liverpool, se imparten enseñanzas de aprendizaje integrado de lengua española y contenido de otras áreas o materias (ACLE/CLIL).
