Where are we now with 1+2 post-pandemic ?

- Funding from Scottish Government- **£2.4 million** for 2021/22 (total = **£35.6 million** since 2013/14)

PRIMARY :

- Covid appears to have had some impact on delivery of the full L2 entitlement when compared with 2019.
- Nearly all primary schools reported they provided an L2, either in full or partially.
- More primary schools also reported they were providing an L3 entitlement, compared to 2019.

SECONDARY:

- Progress toward implementation appears stable when compared to 2019.
- All secondary schools reported they provided an L2 entitlement, either in full or partially.
- Most secondary schools also reported they provided an L3 entitlement.
