European Day of Languages - Save the date!

On Friday, 27 September, the Institut français d'Ecosse together with European consulates and cultural organisations will be celebrating European Day for Languages in Edinburgh with morning activities aimed at S2 and S3 pupils and two conferences in the afternoon. One of the conferences will focus on how European writers foster creativity and 'out of the box' thinking style through language and the other on multilingualism and creativity. They will be followed by a cocktail.

Watch this space for further information to come late August!
