

Interested in hosting French-speaking trainee teachers?

The University of Teacher Education, State of Vaud, in Lausanne, Switzerland is looking for secondary school internships

Why participate?

- Free assistance or teaching by an eager student to enhance your French classes
- Offer your students the cultural and linguistic insights of a native speaker
- Collaborate with a French-speaking trainee to co-teach and share best practices

Who?

- Motivated students in their 20s with 12 weeks of practical experience in a classroom
- Native speakers of French
- Minimum B2 in English
- Will receive a grant to cover expenses

When?

- 2 months between mid-January and end of March
- First placement: January 2026
