

LANGS

Leading Language Learning for a Global Scotland

13th June 2025

Draft Mission Statement

Our vision is for all children and young people in Scotland to experience rich, inclusive and progressive language learning that empowers them to communicate confidently, embrace cultural diversity, and engage as active global citizens.

Through strategic collaboration and leadership, the Languages Network Group Scotland works to provide a strong national voice for language education in Scotland.

LANGS

Moving Forward

- New dedicated email inbox
- Fill in the gaps of missing representation
- Investigating possibility of a website to centralise links to Local Authorities, Cultural Institutes and Strategic Partners
- 2 virtual meetings and 1 in-person
- Limit virtual meetings to 90 minutes
- Providing some input to the Curriculum Improvement Cycle
