Institut Français
Goethe Institut

Introduction to Programmes and Services
• We promote
  – knowledge of our language abroad
  – and foster international cultural cooperation.
• We convey
  – a comprehensive image of our countries by providing information about cultural, social and political life in our nations.
• Our cultural and educational programmes
  – encourage intercultural dialogue
  – enable cultural involvement.
  – strengthen the development of structures in civil society and foster worldwide mobility.
THE GOETHE-INSTITUT
A NETWORK SPANNING THE WORLD

LANGS-Meeting
Edinburgh, 13.03.2020
Dr. Sabine Schlüter
OVERVIEW

CULTURE

A stage in Scotland for the German art scene and for intercultural exchanges

LANGUAGE

German language courses & exams, as well as workshops and seminars for teachers of German

LIBRARY

Resources on contemporary Germany and teaching and studying German as a foreign language.
• German most commonly spoken mother tongue in Europe with over 100 million people speaking it as their first language.

• Learning German enhances educational and career opportunities.

• Support for the British education system, schools and teachers in introducing and maintaining the German language in schools, strengthening multilingualism and intercultural dialogue.

• Diverse language courses for professionals, students and those just learning German for fun.
OUR OFFERS FOR GERMAN TEACHERS

• Lesson plans and materials
• Professional Development Courses for German Teachers
• Events for teachers (i.e. teacher training day)
• Workshops (i.e. German Language Adventure)
