

Languages Week Scotland 2022

Ideas for Parents and Families

Parents as Partners: Ways to support your child in their language learning

Activity	Suggested timeframe	Description
SUITABLE FOR YOUNGER LEARNERS		
Counting fun	5 mins	Find opportunities to count with your child in the language they are learning. You can practice anywhere - in the car, on the way to school or in a supermarket queue. Can you practise the colours of the objects you find?
Learn a new song from around the world	15 mins+	Learn a traditional song from another country. Find simple rhymes and counting songs in the language your child is learning. Can they teach you a song or rhyme they already know?
SUITABLE FOR ALL AGES AND STAGES		
Let's get cooking	1 hour + preparation and planning	At the supermarket, look for products in other languages and from other countries. Where do your favourite foods come from? Have some fun in the kitchen and create a dish from another country. Bon appétit! Alternatively, watch the French version of Bake Off: le Meilleur Pâtissier
Movie night	2-3 hours	Get the popcorn to the ready! Why not watch a film or tv programme in a foreign language? Many can be found on streaming channels such as Netflix however, if you don't have this service, try using a DVD. All you need to do is change the language. Et voilà! It's a great way to access a language. There are lots of foreign language YouTubers for all ages and the speed/subtitles can be changed to suit learners.
Let's read!	Over several days or weeks	Why not explore books in other languages? There are many sites with free access to digitised books in many languages and for all levels. Have a browse through sites such as The International Children's Digital Library , Magicblox or Children's' Books Online where you will find a wealth of reading materials.

Activity	Suggested timeframe	Description
It's good to talk!	Languages Week Scotland week	Share your child's language learning in family life and in everyday situations. For Languages Week Scotland try to practise familiar phrases in the language your child is learning at school.
Learn a tongue twister	5 mins	Have fun with tongue twisters in different languages. Saying tongue twisters can be difficult at first, so don't worry if you can't do it very well to begin with. Just keep practising and have fun!
Scavenger hunt	1 hour+	Give your children a list of items to find. The items must be in the foreign language. Use an online dictionary to help source the words e.g. www.wordreference.com . Once you have the list, give the children a set time to find the items in the house. They might need some help with using the online dictionary.
Language learning together with Duolingo	Over several days or weeks	This activity can be completed as a family where all family members learn a language together. It's free to sign up and easy to use. A simple chart to record the scores for all participants will need to be prepared. Have fun!
UPPER PRIMARY (P6 & P7)		
Social media	Over several days or weeks	Connect with your family's favourite European sportsperson or team on social media. Follow the sporting action on Facebook or tweet messages of support to your team and learn at the same time.
Change your listening habits		Listen to favourite Disney songs in different languages. Listen to the best current European music on Youtube.
Technology to help you learn	Over several days or weeks	Switch the settings on a mobile phone, games console or mobile device to the language your child is learning. Which words do you know? Can you guess some of the others? Ask questions to the digital voice assistant (Siri/Google Now) in another language. Learn words like "send," "delete" and "cancel," just from using your phone on a daily basis.
Learning together	Over several weeks or months	If you want to continue learning a language, there are lots of free online resources to get you started such as BBC Languages , Radio Lingua free podcasts or Duolingo .
