

# CAREER FAIR, 25 SEPTEMBER 2013

## Participating Organisations and Companies

organised by the Goethe-Institut and the German Consulate General

 <p>Consulate General of the Federal Republic of Germany Edinburgh</p>	<p>The German Consulate General in Edinburgh provides consular and other legal services, as well as a range of information about Germany. It further has the ambition to deepen existing political ties and encourage enhanced trade, scientific and research cooperation, as well as cultural exchange between Germany and Scotland. <a href="http://www.edinburgh.diplo.de">www.edinburgh.diplo.de</a></p>
 <p>GOETHE INSTITUT <small>Sprache. Kultur. Deutschland.</small></p>	<p>The Goethe-Institut is the Federal Republic of Germany's cultural institution operating worldwide. We promote the study of German abroad and encourage international cultural exchange. We also foster knowledge about Germany by providing information on its culture, society and politics. Our educational and training programmes enable mobility in an increasingly international learning community. <a href="http://www.goethe.de/glasgow">www.goethe.de/glasgow</a></p>
 <p>EDUCATING INSPIRING EMPOWERING BISHOPBRIGGS ACADEMY</p>	<p>Bishopbriggs Academy is a Scottish Comprehensive school near Glasgow and has been the German Partner School in Scotland since 2008. The partnership has resulted in many exiting events, programmes and international language courses for pupils and teachers. <b>The Career Fair 2013</b> is the recent highlight of this partnership. <a href="http://www.bishopbriggs.e-dunbarton.sch.uk">www.bishopbriggs.e-dunbarton.sch.uk</a></p>
 <p>ENERCON ENERGY FOR THE WORLD</p>	<p>With its technological innovations ENERCON sets new standards since more than 25 years. As a world leader in wind energy with years of market leadership in Germany, ENERCON has more than 13,000 direct and indirect employees worldwide. With more than 20,000 wind turbines installed in over 30 countries, ENERCON is one of the world's leading manufacturers of wind turbines. <a href="http://www.enercon.de/en-en/">www.enercon.de/en-en/</a></p>
 <p>CHARTERED INSTITUTE OF LINGUISTS</p>	<p>The Chartered Institute of Linguists serves the interests of professional linguists throughout the world and acts as a respected language assessment and recognised awarding organisation delivering Ofqual (Office of Qualification and Examination Regulation) accredited qualifications. The Institute is also actively involved in language issues at both a national and an international level. <a href="http://www.iol.org.uk">www.iol.org.uk</a></p>
 <p>WEST</p>	<p>WEST is a large open-plan bar and restaurant with Glasgow's favourite beer garden. This is the place to be for families with children of any age and your dog! WEST is proud to announce that we have been awarded an array of awards over the years including AA Scottish Pub of the Year 2012/13. <a href="http://www.westbeer.com">www.westbeer.com</a></p>
 <p>DAAD</p>	<p>The German Academic Exchange Service (DAAD) is the German national agency for the support of international academic cooperation. We offer information about studying in Germany and provide funding to study and carry out research at German universities. The DAAD London branch office is the contact point for all students enrolled at British and Irish universities searching for information with regard to their studies in Germany. <a href="http://www.daad.org.uk">www.daad.org.uk</a></p>
 <p>Mook Environmental</p>	<p>Mook Environmental Solutions Ltd (MES), founded in 1998, is based in Cumbernauld, Scotland, and employs currently 14 full time staff. MES has SEPA accreditation as an AATF (Approved Authorised Treatment Facility) for WEEE materials and to the ISO 9001 and ISO 14001. OKI Europe, RICOH, ERS and SEPA are some of MES main customers. Specialisation into the recycling of toner cartridges and ink jets led to the development of colouring pigments for the building industry. <a href="http://www.mook-ltd.com">www.mook-ltd.com</a></p>

	<p>Located in central Edinburgh the EICC is a world-class purpose-built venue. In 18 years of operation around 2,500 events have been hosted in the EICC's outstanding facilities, including adaptable auditoria, spacious exhibition and reception areas. The expanded EICC opened in May 2013, adding the unique 1,600m<sup>2</sup> multi-purpose Lennox Suite with its innovative moving floor technology.  <a href="http://www.eicc.co.uk">www.eicc.co.uk</a></p>
	<p>Labels4Kids is an award winning, family owned business based in Scotland. Labels4Kids provides personalised vinyl name labels and clothing labels and identification products internationally via websites now in 8 countries, Germany being the second largest market. Founded by Ann-Maree Morrison, who is also a member of the UK Government's EU E-Commerce Task Force and won Entrepreneur of the Year 2011, the business trains staff up on SEO, Magento CMS databases, social media and translation and copyrighting for websites as this is key to their business growth.  <a href="http://www.labels4kids.com">www.labels4kids.com</a></p>
	<p>With a beautiful parkland campus on the outskirts of Edinburgh (in addition to modern campuses in the Scottish Borders, Dubai and Malaysia), Heriot-Watt is a vibrant, forward looking university offering a high quality learning experience and a welcoming and friendly environment.  <a href="http://www.hw.ac.uk">www.hw.ac.uk</a></p>
	<p>On behalf of the German federal government, the German National Tourist Board (GNTB) is working to promote Germany as a travel destination internationally. Its activities include the development of new marketing strategies and concepts based on specific themes, events and attractions and also bringing together and optimising the diverse marketing activities of partners in the German travel industry.  <a href="http://www.germany.travel/en/index.html">www.germany.travel/en/index.html</a></p>
	<p>The Consulate General of Switzerland in Edinburgh is within the consular district of the Embassy of Switzerland in London. Switzerland may well be a small country located in the heart of Europe, but in terms of its performance in the areas of education, research and innovation, it is one of the most competitive countries in the world.  <a href="http://www.eda.admin.ch/london">www.eda.admin.ch/london</a></p>
	<p>Murgitroyd is one of the largest and most progressive firms of European Intellectual Property Attorneys with offices in the UK, Germany, France, Ireland, Italy and the USA. Headquartered in Glasgow, Murgitroyd provides services in the fields of patent, trade mark and registered design protection. Murgitroyd also has its own translation service, Spectra, which assist clients with all global translation requirements.  <a href="http://www.murgitroyd.com/">http://www.murgitroyd.com/</a></p>
