

“THINK GERMAN FOR JOBS” CAREER FAIR 2013

Wednesday, 25 September 2013, 9:00 – 17:00

Bishopbriggs Academy, Glasgow

organised by the Goethe-Institut and the German Consulate General

supported by:
Glasgow City Council, East Dunbartonshire Council and
the German-British Chamber of Commerce.

After the successful career fair in 2012 in Edinburgh, which was attended by more than 500 visitors, the German Consulate General and the Goethe-Institut Glasgow invite students from schools and universities to meet with a wide variety of exhibitors from businesses and enterprises in Scotland.

This year's event takes place at the German partner school Bishopbriggs Academy and is supported by Glasgow City Council, East Dunbartonshire Council and the German-British Chamber of Commerce.

The aim of the **'Think German for Jobs'** Career Fair is to illustrate how foreign language skills can be advantageous for training opportunities and career prospects. Visitors will meet experts from industry and education in order to explore and experience first-hand the positive impact of language skills in a professional context.

Registrations will be accepted from June 2013. Different time slots of 60 minutes per group will be made available. Participants will receive materials with tasks to prepare and structure their visit. They will be introduced to the topic of the career fair by different keynote speakers throughout the day. A German Cafe will provide typical German snacks at low prices for our young visitors.
