

### **Training the Trainers**

LFEE Europe will be leading the “Training the Trainers” course organised jointly by SCILT and Education Scotland during the first week of July 2014 at Strathclyde University. A dynamic and informative week ahead! Visit the SCILT website for further information.

### **1+2 CLPL**

We can help embed the learning and teaching of languages into the every day life of your primary schools. We have also started to deliver French/Spanish as L3 workshops. Get in touch for further information!

### **From MLPS to PLL training**

We will be running the PLL training programme for some Local Authorities in the Central belt and beyond. Different models available.

### **ICT workshop**

This workshop gives help, guidance and fresh ideas to teachers who wish to use tablets and laptops in their language classroom, be it Primary or Secondary, French or other languages.

### **Ebooks**

We are working with CISS on the creation of 5 ebooks in Mandarin. Watch this space!
