FRANCO-SCOTTISH LINKS

- Franco-Scottish Statement of Intent on Education Oct 2013.
- Co-operation between France and Scotland on all education matters (curricula, inspection, languages, skills, and of course languages).
- In the framework of this Sol, establishment and development of links between Scottish Local Authorities and their equivalent in France, les Académies.

ACTIVE LINKS TO SUPPORT LANGUAGES AND MORE...

- Easy steps to establish a link or boost your existing link to support your 1+2 strategy:
 - Twinning Primary Teachers (through e-twinning or else), sharing resources and experience.
 - Allowing students a real experience in the language (classmeet, parcels or other exchanges).
- Examples of two new links in development:
 - East-Lothian & Caen.
 - East-Dunbartonshire & Rennes.

FRANCE AT SCOTTISH LEARNING FESTIVAL 2015

- French Delegation with representatives of Ministry of Education + 20 Académies will attend SLF this year, to meet with you and your Director of Education to further develop Franco-Scottish Links.
- Meet your counterparts at the French pavilion at SLF on 23rd September.
- Get ready to host your partner in your LA on 24th September.

DEVELOPMENT FOR 1+2 ML DOS

- A course in French for teachers trainers.
- Teaching French through Outdoor activities, maths and other subjects.
- Three day course at the IFE on 13th, 14th and 15th October.
- Skills and tools for your teachers training sessions.
