On Monday 3<sup>rd</sup> February the Scottish European Educational Trust is hosting the final of the **Our Europe Film Competition 2013-14**. Six teams of high school pupils (S3-S6) have won a place in the final film-making workshop. These pupils will spend the day working with Mark Pentleton, from Radio Lingua, to turn their storyboard ideas into short films. The films highlight what being an EU citizen means to them, and finalists are also required to demonstrate their knowledge of other European languages. This year's finalists are teams from: **Doon Academy, Linwood Academy, Lenzie Academy, Mary Erskine, Smithycroft Secondary, Stewarton Academy.**

In order to win a place in the final, pupils (in groups of four) were asked to submit a storyboard, along with a video or audio recording, explaining their ideas for a film. The competition received a record number of entrants this year with over 100 pupils taking part from schools across the country. Each team competing in the final will receive an iPad with which to film and edit their films, which will then be taken back to their school. **Their film creations will be judged by a team of experts, including representatives of the European Commission, the European Parliament and Creative Scotland, at the showcase at 4pm.** Photo opportunity to follow presentation of prizes.
