

## Mathématiques sans Frontières 2015

45 teams from 29 schools took part in the 2015 Mathématiques Sans Frontières competition organised jointly by North Lanarkshire Council and Heriot Watt University.

23 schools entered an S5 team. This is the highest number of S5 teams for many years.

The winning team in S4 was from The High School of Glasgow as was the winning S5 team! The overall winning team was the S4 entry from The High School of Glasgow. Members of the winning team are pictured below:
