

## MADAMA BUTTERFLY

**Cie Nathalie Cornille**

Dance

7 to 31 August (not 17 & 24)

10:30 am

Show length: 35 minutes

Workshop: 30 minutes

Audience: 3 years and older (Nursery)

### **A solo dance for a very young audience inspired by chosen moments in Giacomo Puccini's opera.**

Combining the world of contemporary dance with the feelings experienced by the listening of lyric singing, this Madama Butterfly evokes an abstract and poetic choreography at the crossroads of two cultures, Eastern and Western.

An invitation for everyone, children and adults, to explore the sensations brought by opera with ears and eyes wide open.

## **AFTER THE SHOW**

### **Origami in French – 30 minutes**

If you are teaching French in class, why not stay for the free after-show workshop with the children?

We will build on the themes of the show to learn – with easy French key words – how to fold paper in the Japanese art tradition of origami. The folded pieces will be part of a big paper structure installed in the Institute's library.

All performances start at 10:30 am and finish at 12.00 pm with the workshop.

Tickets: £8 – concs £6

Group discount: **15% off the concession price tickets** for groups of 10 or more.

E.g. £5/child. Staff go free.
