

## Developing the Young Workforce (DYW): Information and resources

### DYW Website

This website contains key information about this workstream including the new suite of standards documents, latest resource and weblinks as well as the latest news from our blogs and twitter feed.

<http://www.educationscotland.gov.uk/learningandteaching/thecurriculum/dyw/>

### Career Education Standard

This document contains the entitlements and expectations as well as exemplary 'I can' statements to support practitioners in developing career education from 3-18.

<http://www.educationscotland.gov.uk/learningandteaching/thecurriculum/dyw/careerseducation/index.asp>

### Work Placements Standard

The standard sets out the expectations for young people, employers, parents, schools and local authorities in advance, during and after a placement

<http://www.educationscotland.gov.uk/learningandteaching/thecurriculum/dyw/workplacements/index.asp>

### School/Employer Partnership Guidance - for schools, employers and local authorities

These three documents support the aim of creating meaningful and productive partnerships in all secondary schools, highlighting the benefits and suggest practical steps, including how to get started.

<http://www.educationscotland.gov.uk/learningandteaching/thecurriculum/dyw/workplacements/index.asp>

## DYW Annual Report 2014/15

The first Developing the Young Workforce annual report, setting out progress in year one of implementing the seven year programme.

<http://www.gov.scot/Publications/2015/12/7463>

## Review of Youth Awards in Scotland

The review considered how well youth awards in Scotland collectively contribute to:

- improved life chances for young people
- stronger, more resilient, supportive, influential and inclusive communities
- and the implementation of Curriculum for Excellence
