Dear Language Coordinators,

If you wish your students to submit an article for the second issue of *Worldwide Napier*, the Edinburgh Napier University magazine in foreign languages, please ask them to send it to [s.blanche@napier.ac.uk](mailto:s.blanche@napier.ac.uk) by the **31 October 2018**. We will consider articles in French, German and Spanish. Your students can write about a topic of their choice, but we are particularly interested in interculturality. Their text can be accompanied by a high-resolution copyright-free image/illustration. We will publish the best articles. There will be a third issue around April 2019.

The first issue is still available in digital form:

If you need more information, please do not hesitate to contact me.

Yours sincerely,

Sylvain Blanche,  
Associate Lecturer in Languages at Edinburgh Napier University
