

## At our Science Specialist Confucius Classroom, RZSS Edinburgh Zoo:

### **P3-P4 It makes Panda Sense!**

**Available to June 2020**

A senses lesson which will compare human and giant panda senses and also teach the Mandarin names for the different body parts. Duration 50 mins. Maximum numbers per session is 30 pupils. Each school can book a maximum of 60 pupils **free of charge** (split into two sessions). One adult per 7 children included. Schools can book more than 60 pupils and additional numbers will be charged at Edinburgh Zoo's standard education rates. Limited number of free places, bookings taken on first come, first served basis.

### **P5-P7 China's animals & habitats**

**Available to June 2020**

Looking at China's different habitats through our amazing immersive space and finding out about some animals that live in them. This will include recognising some familiar Chinese characters within the animal and habitat names. Duration **30 mins**. Maximum numbers per session is **15 pupils**. Each school can book a maximum of 60 pupils **free of charge** (split into 4 sessions.) One adult per 7 children included. Schools can book more than 60 pupils and additional numbers will be charged at Edinburgh Zoo's standard education rates. Limited number of free places, bookings taken on first come, first served basis.

To book either of the above, email [education@rzss.org.uk](mailto:education@rzss.org.uk) with the following details:

- Contact name, email and phone number
- School name, address and local authority
- Class(es) e.g. P3, P4, P5...
- Class size – number of pupils
