JOIN THE TEAM!
Scotland's National Languages Leadership Programme 2022-23

☑ Key role in an online professional learning community dedicated to building capacity in the strategic leadership of languages education at all levels.

☑ Support to submit individual application for Professional Recognition to the GTCS.

Open to anyone who has taken part in the 1+2 Languages Leadership Programme or Train the Trainer programmes and/or has experience of supporting colleagues' leadership development or professional learning at Masters level either online or face-to-face.

Spring 2022: Join the LLP community on MS Teams in Glow

17 June 2022: Professional learning day for the critical friend role and networking with participants and other critical friends

August 2022 - June 2023: Comment constructively on critical reflections by participants about their professional learning and leadership development during the programme

13 May 2023: Recall Day – support a small group of participants to share their leadership learning journey, with option to share your own critical friend journey

Submit your application by Tuesday 17 May
