

# SCILT/CISS DIGITAL INTERNSHIP

## About the opportunity

We are inviting committed, dynamic young people to apply for our year-long digital internship programme. This would see you using social media regularly and collaborating effectively with a team to demonstrate your love of languages and where they can take you. This is an excellent opportunity to experience working with digital professionals in a languages environment and enhance your final year at school.

- ✓ Are you currently in S5?
- ✓ Do you love languages?
- ✓ Do you enjoy sharing your views on social media?
- ✓ Would you like to enhance your CV?
