

Concours de la francophonie 2023

Since its launch in 2016 by the Institut français d'Écosse, le **Concours de la francophonie**, a national school competition to encourage all young French learners and their teachers around Scotland enjoying French language, has been a great way of celebrating the international day of la francophonie.

Throughout the years, many schools across Scotland have taken part in the competition and we hope to receive great entries this year again.

Who can take part? All Scottish primary and secondary schools offering French may enter this competition by submitting a short video of a classroom activity in French.

The theme of the competition this year is : **“PLAY” - “JOUER” en français**

4 Categories: P1/P4 - P5/P7 - S1/S3 - S4/S6

Eligible entries: A video in French of maximum 5 minutes. The level of French will be adapted to age, stage and level. We will also value the participation of ALL learners in the class and the creativity of the piece.

In primary, you may want to film a regular activity in French where children are actively playing and having fun in learning or speaking French.

In secondary, young people need to show their communication skills in French, so songs are not accepted.

How to take part?

- ▶ *State schools:* Send your entry **before Christmas holiday** to your Modern Languages Development Officer or your QIO.
- ▶ *Independent schools:* a jury composed of representatives of Education Scotland and the Institut français d'Écosse will choose the Independent schools champions in January 2023.

Send your video to : ife.francophonie@gmail.com

Before **13 January 2023**.

Prizes:

- ▶ first prize in each category: invitation to attend a special French immersion day at the Institut français d'Écosse on **24 March 2023** to celebrate the international day of la francophonie. Transport and lunch for the entire classroom will be offered. Winners will take part in French workshops and will receive a selection of French books.
- ▶ second prize in each category: a selection of French books and goodies.

This school competition is sponsored by TOTAL Energies, the Franco Scottish Society and is organised in partnership with Education Scotland, LANGS, SCILT, the City of Edinburgh Council, the University of Edinburgh, and TV5 Monde.

Bonne chance à tous !
