

# Get Together & Signpost Sessions

for student and early career primary teachers in Scotland

As a new or recent entrant to primary teaching in Scotland, are you interested in developing your practice relating to the languages - both home and taught - represented in your classroom?

You won't want to miss SCILT's **ECT Primary Languages Get Together** and subsequent **Signpost Sessions** between January and May 2024!

Undergraduate and postgraduate primary education students and primary teachers 1 - 4 years post-qualification working in Scottish schools are all welcome along, especially if you are looking for:

- ideas and advice on how to support multilingual pupils and their families
- strategies for teaching additional languages
- the chance to network informally with others at a similar stage in their career from across the country

The **ECT Primary Languages Get Together** will take place 16.00-17.00 on Wednesday 31 January 2024. It will be a first informal opportunity to connect, ask questions, find support and solutions.

The Get Together is followed by a series of **Signpost Sessions**, each with a different theme around languages in primary. We will point you in the right direction! These sessions will take place on the last Wednesday of each month, starting in February 2024:

- 28 February, 16.00-16.45 **First steps in teaching languages in primary**
- 27 March, 16.00-16.45 **Pedagogies for multilingual classrooms**
- 24 April, 16.00-16.45 **Digital tools for primary languages**
- 29 May, 16.00-16.45 **Outdoor language learning**
