

# REMEMBERING EMPIRE

## A Global Citizenship Approach to French

Free new materials for French learners!!

'Remembering Empire' is an interdisciplinary learning programme for pupils of French in S3 and AH, developed by **Dr Fiona Barclay** (University of Stirling) with the support of the AHRC to build language competence and global citizenship values by exploring France's empire in Algeria.

Join Scotdec as we run a series of workshops for **BGE French teachers** alongside Dr. Barclay introducing you to the materials, and provide guidance on discussing themes of colonisation, immigration & refugees within the context of a Global Citizenship approach.
