

# Signpost Sessions

for student and early career primary teachers in Scotland

As a new or recent entrant to primary teaching in Scotland, are you interested in developing your practice relating to the languages - both home and taught, signed and spoken - represented in your classroom?

You won't want to miss SCILT's **ECT Primary Languages Signpost Sessions!**

Undergraduate and postgraduate primary education students and primary teachers 1 - 4 years post-qualification working in Scottish schools are all welcome along, especially if you are looking for:

- ideas and advice on how to support multilingual pupils and their families
- strategies for teaching additional languages
- the chance to network informally with others at a similar stage in their career from across the country

Each month has a different theme around languages in primary. We will point you in the right direction!

- 25 September, 16.00-17.00 **First steps in teaching languages in primary**
- 27 November, 16.00-16.45 **Pedagogies for multilingual classrooms**
- 29 January, 16.00-16.45 **Digital tools for primary languages**
