Culture Day Resources

The Consejería de Educación, the Goethe-Institut and the Institut Français in the UK have developed, for the **National Consortium for Languages Education**, a series of taster sessions and cultural exploration sessions in Spanish, French and German. Furthermore, a joint Language and Culture Quiz and Language Exchange Package offer activities for all three languages.

- **Language Taster Sessions**
- **Cultural Exploration / Performance Sessions**
- **Language and Culture Quiz & Ideas and tips for a Language Exchange**

Each resource is accompanied by a detailed teacher guide and further ideas and tips on creating a memorable, fun and creative language & culture celebration for the entire school community. You do

not need to be a specialist language teacher to run the sessions, and the material (unless specifically stated otherwise) aims at A1 beginner level of each language.

Culture Days are special events at primary and secondary schools that celebrate and showcase the diversity of different languages and cultures.
