Une visite au cinéma: Partner A

You are discussing about going to the cinema on Saturday with your friend.

You have the following programme but now, you have to agree together on the movie, the time and how to get there.

Unfortunately, you can't agree on the film so you have to give as many good reasons for what you want to go and see. You can talk about the storyline, the actors, the production ...

(You can use the dictionary if you need)

Questions to ask your friend about your trip to the cinema :

- 1- If your friend wants to go and see the film you fancy.
- 2- He doesn't. Try to make him change his mind – give the reasons why you think that movie is good.
- 3- Once you finally agree on a movie, discuss the time you want to go for.
- 4- Once you finally agree on a time, discuss how you want to get there.
